4.840 Fences

4.841 Privacy Fences

- a. In front yard spaces and along all property lines between the front yard setback line and the front yard line, there shall be no solid fence other than shrubs or other similar vegetation; provided, however, that no fence or vegetation shall exceed a height of three (3) feet. Within side yards, and along side yard lot lines, no solid fence or vegetation shall exceed a height of six (6) feet. Within rear yards, between the rear wall of any structure and the rear lot line, no solid fence shall exceed a height of six (6) feet. No such fence shall create a visual

obstruction which is in conflict with the requirements of this ordinance for a clear sight triangle as specified in Section 4.140 hereof. A solid fence shall be any fence where more than 50% of the face of the fence is solid.

- b. Where this ordinance requires a fence to be more than four (4) feet in height, such as 4.733 c.3., 5.452 and 5.473d., such higher fence shall be provided, but it shall not be a solid fence of more than four (4) feet in height as specified in Section 4.841a. hereof; and, provided further, that no such fence shall create a visual obstruction which is in conflict with the requirements of this ordinance for a clear sight triangle as specified in Section 4.140 hereof; except as otherwise required in Section 5.452.
- c. Shrubs along side and rear property lines shall be maintained at a height not to exceed four (4) feet.
- d. Any fence between the facing walls of residential structures shall be 100% open fences such as a cyclone fence; but no such fence shall exceed a height of eight (8) feet.

4.842 Screening Fences. Unenclosed nonresidential uses not excepted in Section 4.720 hereof shall be screened from public view and from adjacent properties in accordance with the provisions of Section 4.720 hereof.

4.843 Condition of Fences. All fences, hedges, walls, and shrubs must be maintained in good condition. When adjoining an R-District, no advertising shall be permitted on any side of a fence facing the residential district.

4.844 Installation of Fences. When any fence is installed, the supporting posts shall be located on the inside of the fence, facing the property to be fenced; and, the finished side of the fence shall face the adjoining property and/or right-of-way.
